The image shows a web browser window with a form. The form has a title bar with standard window controls (minimize, maximize, close). The form is divided into two main sections. The first section, labeled 202, is for the Shipping Address. It contains five input fields: a single-line text field for the name, a two-line text field for the state, a two-line text field for the zip code, a single-line text field for the street address, and a single-line text field for the city. The second section, labeled 204, is for the Billing Address. It also contains five input fields: a single-line text field for the name, a two-line text field for the state, a two-line text field for the zip code, a single-line text field for the street address, and a single-line text field for the city. The entire form is enclosed in a rectangular border.
